# DEPUTY'S CORNER

This week is Child Protection Week and offers the opportunity for schools and the community to promote the message that all children have the right to feel safe and protected. Child Protection Week also recognises those who work in the Child Protection Sector and acknowledges their efforts and commitment.

Nationally, NAPCAN (National Association for Prevention of Child Abuse and Neglect) co-ordinates Child Protection Week. Speaking at the launch of the National Child Protection Week, Governor General Sir Peter Cosgrove, encouraged all Australians to join together to keep our children safe and nurtured. NAPCAN Deputy CEO, Leesa Waters asked that Australians start thinking about child abuse as a problem that can be prevented rather than a problem to be fixed after the fact.

The NAPCAN website has a wealth of resources to recognise Child Protection Week. Some links are below;

## Staff Profile – Jan Walker

Hi, my name is Jan Walker and I have the best job ever! I am a Teacher Aide. I help out in the classrooms with literacy and numeracy support. I have had the chance to really make connections with students by working with them in small groups over many years, and I work with an amazing, dedicated team of people.

Initially when I started in 2004, I spent all my time in the classrooms, but over the past 14 years my job description has evolved. As well as being on class I now provide IT support to the entire school, update the webpage, run the Library 2 days a week and take lots of photos. I love the fact that every day is different.

The longest I had ever spent in one job before CSS was 3 ½ years. I was a radio announcer in Colac, Victoria. I started as a junior announcer and worked my way up to become Music Director and then Programme Director. My greatest challenge there was as the studio anchor for the local live football broadcasts along with Melbourne AFL and Racing results. My former career as a commercial radio announcer was such an exciting time. I travelled Australia and worked in many country stations, ending up in 8DN and finally 8TAB in Darwin.

Becoming a parent gave me new opportunities and brought out my childhood dream of being a teacher. I spent many years volunteering in my daughters' classrooms before being offered a paid Teacher Aide position.

My daughters are grown up now. Shellie lives in Bowen and Sarah lives in Sydney. They both have fond memories of their time spent at Caboolture State School. I have 2 grandsons aged 2 and 4 that I don't see often enough. I also have 2 cats, a cockatiel and many fish. I love Harry Potter, travelling and spending time with my Mum.

This year marks a 20 year association with Caboolture State School. I think that's pretty special.

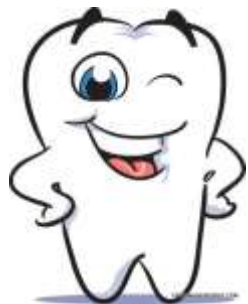

### Student Profile: Tyler

My name is Tyler. I have been at this school for 6 years from prep onwards and this year I was chosen to be Border house captain. I was proud of this role and have had a great time cheering my house on at all house events.

I live at home with my mum and Dad, my two brothers, my sister and my pop. My mum is always having trouble at home with us because we are so annoying. When I am not at school, you can find me watching tv or kicking a ball around my back yard because I am a sports fanatic. My whole family has their own football team that they follow and mine is the Titans. This passion for football is something I share with my dad.

This year has been the best year so far and I love that I have been able to enjoy every moment with my best friends by my side.

### Oral Health Services - - School Fluoride Varnish Program

## Jack Reed Shield Day

Due to circumstances beyond our control the Jack Reed Shield Gala Day originally taking place at the Caboolture Rugby League Fields in Centenary Lakes on Thursday the 14<sup>th</sup> September has had to be cancelled.

If you have already paid the amount of \$4.25 (the cost involved with participating in this activity) a credit has been allocated to your student's account at the school and can be used for any future incursions/excursions.

If you require any further information, please contact the school on 5431 4555.

### YEAR 6 SCHOOL SHIRTS

We have some left over year 6 shirts on sale for \$10.00 each. The sizes are 10's and 12's. We also have one size 14 without student names on the back. Please call in and see Tracy at the cash window if you would like to purchase one.

### Kids in the Kitchen

In our last cooking session for term 3, we got to make delicious Chinese beef and vegetable spring rolls, dipping sauces, a yummy fresh salad and sultana and oat biscuits.

We split into our four groups, as the spring rolls take a long time to make, two groups made the spring rolls. These were very challenging for us to make. We dipped the rice paper rolls into warm water until they were just soft. We then put a spoonful of the filling into each wrapper, folded one side in, then folded the top down,

then rolled it until it was fully sealed. We then placed these on a lined, baking tray and put them in the oven for a little while until they were nice and crispy. We also had two dipping sauces, a chilli sauce and a soy sauce, for the spring rolls.

Another group made a yummy salad using fresh vegetables from our school garden. To make the salad we chopped and grated strawberries, beetroot,

lettuce, tomatoes and beans.

The fourth group made sultana and oat biscuits. We mixed the dough, put sultanas and oats into the mixture. Then we had to roll small amounts of the biscuit dough and place it on a biscuit tray. We then baked these in the oven until cooked.

We cooked so much this week that we were able to go back for second's lots and lots of times.

## Woolworths Earn & Learn

Thanks to everyone who has been collecting the Woolworths Earn & Learn stickers for the school. We are very excited by the support so far. Please keep collecting them over the holidays. Please hand them in to the office by Thursday 5 October (first week back at school Term 4). The school is looking forward to being able to procure some great new resources through this venture.

## Chappy News

The girls' groups will finish at the end of this term. We spent time together building friendships, exploring levels of friendships, changing unhelpful thoughts into

helpful thoughts, understanding the need for boundaries and how to set them, problem solving and goal setting. We then decorated each page and put them together into a booklet.

Ladies Pamper Day is on again this Tuesday morning in the library. Come along and meet other parents, invite some friends as well. We will have the \$1 clothes rack as well as lucky door prizes. It is a \$1 donation, to be in the draw for lucky door prizes. There will also be a Nutrimetics presentation.

## Community Breakfast

There were many local community groups and businesses invited to the school to share in our Community Breakfast, earlier in the week. It was wonderful to see so many parents chatting to our visitors and making them feel welcome. There were also many conversations with the businesses around how they could partner with our school community and ideas for continued support.

Giggles and Gags, the parent group on Friday mornings, has been enjoyable but will finish up at the end of this term.

## ATSI Update

Aboriginal and Torres Strait Islander BBQ

Parents who attended the BBQ enjoyed the afternoon. There was information shared regarding help with getting a learners permit, employment and training opportunities, finding information on Indigenous heritage and local gatherings.
